SAP Service

SAP™ Silver Partner

Service Brochure

Financial services firms are modernising their technology systems, automating to drive down costs and adapting the user experience to meet rapidly changing customer expectations. As SAP themselves illustrate: *"Digital transformation is more than a technology initiative. It is a cultural shift that brings together people, data, and processes – from across the business – to create a better customer experience and become more resilient and competitive in a digital-first world. And a successful digital transformation strategy must take all these facets into consideration."*

That's why CubeMatch has launched a SAP practice, bringing together their industry expertise, global change experience and SAP capabilities. This service delivers sustainable SAP programmes with lasting benefits for our clients' businesses.

CubeMatch's SAP Practice covers the following areas:

SAP PROGRAMME/ PROJECT SUPPORT

**SAP S/4 HANA UPGRADE SERVICES**

END-TO-END SAP DEPLOYMENTS

GOVERNANCE AND ASSURANCE

REGULATORY SAP SUPPORT SERVICES

SAP PROGRAMME/ PROJECT SUPPORT

CubeMatch provides highly experienced SAP resources to support clients varying SAP requirements. This service spans from addressing specific resourcing needs through to end-to-end delivery of SAP projects.

SAP S/4 HANA UPGRADE SERVICES

CubeMatch can help identify when, in your SAP programme roadmap, is the optimum time to upgrade and take care of your full implementation, from programme management to data migration.

END-TO-END SAP DEPLOYMENTS

End-to-end SAP deployments for new client installations, ensuring SAP correctly supports the needs of your business, while enabling scalable growth.

GOVERNANCE AND ASSURANCE

Cubematch also supports clients by acting independently on their behalf to ensure value realisation and best-practice partner management; ensuring client requirements are being exceeded in an efficient and cost-effective manner with minimal business disruption.

REGULATORY SAP SUPPORT SERVICES

Cubematch also provides specialist SAP support services for all regulatory matters and requirements.

CAPABILITIES & EXPERTISE

EXPERTISE

Our consultants have a minimum of 10+ years SAP experience and are well equipped to assure and accelerate your SAP delivery in a cost effective manner. We excel in providing the following high-quality resources: SAP Programme/Project Managers - SAP Solution Architects - SAP Data Analysts - SAP Functional and SAP Basis Technical Consultants.

Keith Moran, CubeMatch Group CTO

Keith is a senior executive with over 25 years' experience in the IT industry. As CubeMatch Group CTO, he is responsible for our Change Transformation, Technology and Digital practices.

Keith has been continuously involved in all elements of SAP program delivery from his early career as a SAP Functional Consultant, Project Manager, SAP Program Delivery Director to C-suite appointments.

Keith has held various key management roles in challenging and demanding environments, where he has successfully delivered over 150+ key technology and transformation programs with breakthrough strategic business outcomes.

Alan Salerno, Senior Consultant

Alan is a highly experienced SAP Basis consultant with over 25 years of consulting experience. Alan previously worked for SAP, IBM, Siemens, KPMG and AIB, specialising in the upgrade and installation of S/4 Hana.
He has served in multiple roles: SAP Solution Architect, SAP Basis Lead, Subject Matter Expert, SAP Technical Project Manager and covered clients in Ireland, Italy, Switzerland, Germany, and the USA.

Macartan Conway, Senior Consultant

Macartan is a highly experienced SAP PM with over 25 years of IT experience. Macartan has spent the past 5 years as a Senior SAP Project Manager, delivering regulatory financial services programmes using SAP Bank Analyser & SAP BW technologies into one of Ireland's leading retail banks.

CLIENT CASE STUDIES

Global S/4 Hana Deployment

Complex, large-scale business transformation program overseeing the deployment of a global business onto S/4 Hana.

This included: business case development and approval, vendor selection, SAP license negotiation and all elements of program delivery from design, change management through to testing and deployment hosted on Global S/4 HANA cloud-based single instance.

SAP Core Banking Implementation, Large European Retail Bank (ECC6)

Design & build of SAP BS9, data modelling client source data and enhancements to the SAP SA-CCR framework.

This allowed for accurate calculations to be completed for SA-CCR EAD and COREP purposes.

SAP Change Team Augmentation, Large European Retail Bank

CubeMatch provided vital expertise in 4 areas that cover SAP Finance Consultancy services, Bank Analyser, BASEL Data Model and ETL Consultancy services.

We augmented the team with the following:

Team Leader to manage the Finance area ; **Senior Consultants / SMEs on Bank Analyser, BASEL Data Model and ETL** ; **SME on Authorisations** and **SME on SAP Basis.**

WHO WE ARE

Founded in **2002**, CubeMatch is a **global change and transformation consultancy**, specialising in **Financial Services** and selected as the **chosen partner** for some of the largest and most demanding transformation projects within the Financial Services sector.

CubeMatch is an international brand continuously expanding with **six offices** worldwide : **Dublin, London, Utrecht, Frankfurt, Singapore and Chennai**. Combining our world class expertise in Financial Services with our rich capabilities in all aspects of change and transformation, we apply a **Multiplier Effect**, helping clients to be more effective today while creating value for tomorrow.

We are **Banking Native**; it runs through our **DNA**. Unlike more general change consultancies, this banking intimacy means we deliver change and transformation programmes that stick, against a backdrop of complex regulations and continuous disruption.

Over the years, we have successfully built a global firm that is uniquely equipped to deliver pragmatic and business-focused results. We have over **400 staff and multi-million euro revenue**. And through our **strategic partnerships** we apply innovation to help organisations operate, compete and deliver at scale. Blending our powerful change capabilities with next generation technology, we deliver **innovation and business agility** to help businesses thrive.
