CubeMatch Fuels European Growth with New Market Entry, Leadership Hires & Major Talent Investment

Dublin, Ireland – February 2026

CubeMatch is entering a phase of European expansion, announcing new market entry, regional scale-up, and a wave of senior hires to support accelerating demand.

Following the company's acquisition of BGK in Germany, CubeMatch is doubling down on Europe. The business is actively expanding into Belgium and Luxembourg, as well as the Spanish market.

This expansion marks a significant milestone in the company's growth strategy and reflects strong momentum across clients, delivery, and commercial performance.

To support this growth, CubeMatch is strengthening its executive leadership and middle-management teams, with several key hires underway including:

- QA and Automation Practice Lead
- Group Chief Growth Officer
- Head of Technology and Delivery Solutions

Alongside these senior appointments, the company is also hiring across commercial and delivery functions, including:

- Business Development Managers
- Business Development Support roles
- Data Analysts, Business Analysts and Project Managers
- Senior practitioners and Junior Graduates to support future scale

*"This is a deliberate and exciting step change for the business," said **CubeMatch CEO, Tom Melville**. "We're investing ahead of the curve – in leadership, in talent, and in new markets. Our expansion into Spain and across the Benelux region reflects both strong client demand and our long-term ambition to continue growing CubeMatch as a leading specialist consulting and delivery partner."*
